3 2022-23 Budget

To consider and approve the Council's budget for 2022-23 and to set the Council's precept accordingly, as per the 11.01.22 Finance & Budget meeting recommendations that:

i) the precept per household be increased by 1% on 2021-22. This would mean that, based on the Calderdale Council prescribed tax base figure of 568.72, on a band D household the figure would increase from £29.23 to £29.52 per household per year, making the overall precept figure £16,789, plus the borough supplement of £1009 and the council tax reduction grant of £1010. Total figure £18808.

ii) the budget shortfall of £7957 be accounted for as follows:
£2957 Council reserves
£5000 CFFC grant - Carr Head tree works

iii) a ring-fenced reserve of £1000 for future maintenance works at Carr Head be set up and that as appropriate this reserve be increased each year.
