

Wadsworth Parish Council - Windfarm Survey

Dear Resident

Wadsworth Parish Council are conducting a short survey with local residents about local developments.

The survey is being conducted by Researchers at Crown Ltd T/A Field Locker, an independent research agency based in Hebden Bridge. We are members and company partners of the Market Research Society and abide fully by their code of conduct as well as GDPR and all local data protection laws.

Your participation in this research is voluntary. The data collected will be aggregated together and reported anonymously. No individual will be identified without permission. Any personal information asked is collected on the basis of ensuring fair data, avoiding duplicates and to ensure we can analyse the data based on standard demographic groupings.

The survey can be completed by any adult within your household via a number of ways:
